

The sacred, energized and transforming space is now within your reach..

Super charge your Meditation with the secret of Indian Yogis, which they know and practicing since ages.

Yogis don't do meditation, meditation happens to them, and they used to be in meditative state even while walking, doing something or simply sitting.

Orange cotton cloth helps Sadhus a lot in meditation to gain the benefit of orange light similar to that of morning sunrise rays. While the **Cotton cloth** ward off negative energy and keep them energetic round the clock.

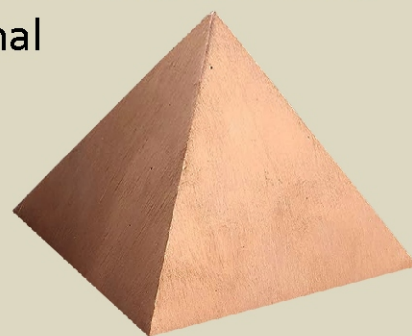

Understanding this secret with years of experience, we have designed **Pyramid Meditation Tent** for everyone to enhance your meditation experience and gain multiple benefits with:

- ✓ **Orange fabric**
- ✓ **100% Cotton**
- ✓ **Pyramid shape**
- ✓ **Copper Pyramid Top**
- ✓ **Yellow Woolen Mat**

The **pyramid shape** of the tent amplifies the flow of positive energy and harmonizes the vibrations of your body, mind and spirit, and creates a sacred space for your practice.

On top of it is **Copper pyramid** which focus cosmic power on to us, creating a profound impact on body, mind, and energy. Its calming and healing effect lowers blood pressure, balance hormone levels, enhances intelligence, memory, creativity, and emotional well-being.

Yellow Woolen Mat: Wool with signature frequency of 5000 mHz have an excellent healing effect on us. Yellow color offers stability and grounding as you delve into mindfulness.

Experience the healing touch of Pyramid Yoga Tent, as it clears negative energy, purifies your meditation space for a truly transformative practice.

This tent is the perfect companion to help you dive deeper into self-discovery and embrace the serenity that lies within you.
